Chapter 5

In Chapter 5 we learn more about the characters in the novel. From the word bank below, choose 5 words, which you feel best describe **Lisa's character as seen through Topher's eyes**. Highlight these and write a sentence to explain what makes you think this using evidence from the text as is shown in the example. Remember you can use a dictionary to check the meaning of unfamiliar words.

intelligent	spoilt	modest	boastful	reckless
persistent	immature	gentle	inquisitive	
selfish	kind	lazy	meddlesome	

Example:

We know that Topher sees Lisa as spoilt because on page 24 it says, 'she always had some new toy or other'.

Topic

Today try and get some exercise. If you can get outside, ask someone to take you for a walk or you could play outside with a ball. You could make a routine to follow and share with someone.

If you cannot get outside, design your own activity sequence in the house which could include star jumps, hopping, sit ups, press ups etc.
