Online Safety

For your information, we are attaching the National Online Safety guides for safe use of Whats App and group chats, which we previously sent out last year. Please take time to look over these and discuss them with your children, reminding them to screenshot, block and report anything which makes them feel uncomfortable or unsafe.

Early Help Service

On 28th March, a Navigator from the Early Help service in BCP will be offering a Parent drop in service at Queen's Park Academy. This will be between 1 pm and 3pm. This drop in is an opportunity for parents who would like support, advice and/or signposting when it comes to child concerns, parenting support, behaviour management and/or family issues. If you are interested in using this service, please contact Mr Foster via the school office directly to be booked in. This will be on a first come first served basis.
